

Arina Turliai

Middle UX/UI Designer

Summary

Hey! I'm Arina, UX/UI designer with a strong passion for design strategy, typography and minimalistic style. I believe that high-quality design is the result of a deep understanding of user problems that can be solved with the help of effective and perfectly executed business.

I've been developing design for online stores, corporate websites, information portals, web apps, CRM-systems and landing pages.

My design portfolio: be.net/trly_a
